

## Year 4 Homework- Summer 2

Please select one activity a week to complete. You can do these tasks in any order and you can either bring in your book or email it.

<b>History</b> Make a Greek mask for a play.	<b>English</b> Write your own version of a Greek myth.	<b>Computing</b> Create your own programme on Scratch
<b>Science</b> Conduct your own experiment to find out how light affects how a plant grows.	<b>Art</b> Design a sculpture, based on art created by the sculptor, Antony Gormley.	<b>DT</b> Design and make a slingshot - powered car using materials you can find at home.
<b>French</b> Create your own French song. Bonus - can you include different French foods?	<b>PE</b> To practise key athletic skills: running, jumping and throwing. Email in videos!	<b>Maths</b> Make a list of the different quadrilaterals you can find around your house and garden.

Please continue to read at least three times a week and go on TTrackstars regularly.
