Kindness, Excellence, Community, Respect and Aspiration

Dear Parents and Carers

13 June 2025

I had the pleasure of spending the first half of this week with our year 6 pupils in London as part of the annual Y6 residential visit. The children were an absolute pleasure to be around and a real credit to you as parents and also to the school. The children's manners were noted by several members of the public who made a point of letting me know at various points throughout the trip. I must also thank the wonderful staff who gave up their own time to accompany the children to enable this incredible experience for our year 6 pupils.

I would also like to thank our three parent governor candidates, Mrs Zoe Cerexhe, Miss Laura Faithfull and Mr Christopher Grainger, and all those who voted. After counting the ballot papers, I am delighted to announce that Mr Christopher Grainger was victorious in a very closely run election.

I would like to say an especially big thank you to Mrs Zoe Cerexhe who has served the school as a parent governor brilliantly over the past four years and has been pivotal in many of the developments and improvements the school has endured during this time – thank you.

You can find out more about our school governors and some of their responsibilities by visiting the governor section of our website.

STARS School Disco – Next Friday please see the attached poster for details.

Class DoJo – this now seems to be up and running with almost all parents now signed up. This is a fantastic window into your child’s education and the place to go for the very latest information for your child’s class teacher. Please remember that DoJo messages are not regularly monitored. If you need to speak to your child’s class teacher, please contact them by email or via the school office.
