

Friday 3.5.24

You were experts at sorting odd and even numbers. Great!

Over the next few weeks, we need you to practice your writing!

Can you write a list of colours that you can see in the butterfly below?

We don't want an adult to tell you how to spell things correctly, we want you to sound out the words, then write the letter shapes that match the sounds you hear, e.g. blue will be bloo.

We have given you a grapheme mat, to help you find the letter shapes you may need to write.

Talk time

Can you sing the rhyme 'Five Little Kittens Jumping On The Bed' to an adult?
