subjects covered in class. We ask that one task is completed per week (you don't have to do all of them) and that you initial and date each activity completed. Evidence of homework can be glued into children's books, photographs tweeted (@rowan_yr1 and @willow_yr1) or emailed to us, or items even brought into school. We will collect homework books in on a Tuesday morning. In addition to this, we would also like all children to do the following things weekly:

- Read a minimum of three times to a grown-up/older sibling. Please record this in reading records,
- Your child will receive a reading certificate for every 5 reads they complete. Once they have done 25 reads, they can choose a prize.
- Practise your spellings. We will add a spelling list to your Homework book each week. These are spellings we have covered in the previous weeks Phonics lessons.

We look forward to sharing your children's home learning.

Thank you for your ongoing support,
The year 1 team
