

Homework to be completed by Wednesday 1st May

SPAG Revision

Have a look through your recent SPAG test.

1. Using a different coloured pen, have another go at the questions you got wrong.
2. 'Google' some of the terms you are not sure about and write some notes on your test paper to help you to remember things.
3. If you made some silly mistakes, write a list of these on the front of your test paper.

This is not a test - you can discuss questions and get help from other people.

This week's spellings: Term 2B Wk 6
