Key facts

Human rights are for everyone and they affect our everyday lives

The right to an education is a human right. In some countries this right is not available for everyone and people are trying to change this

The food we choose to eat has an impact on the environment

Individuals and governments can make changes around food to help the environment

Prejudice and discrimination can happen for a number of reasons, such as age, sex, race or religion

We can challenge prejudice and discrimination but we must not put ourselves, or others, in danger to do so.

The Equality Act is the law which helps to stop discrimination

The government has Ministers who are responsible for different things, such as health and education

We can be concerned about certain people or issues and we can take action to help
