Dear Parents and Carers

23 February 2024

Once again our girls' football team have done us proud by winning the regional finals in York, which means they progress to the next stage of the Pokémon Primary Schools' Cup, which is organised by the English Schools' Football Association – congratulations girls!

Congratulations also go to our table tennis players. A number of Y6 pupils entered the Scarborough Primary Schools', individual table tennis championship during the half-term break. Max, Marshall, Oliver and James all put up an amazing battle with some of Scarborough's best table tennis players. Stanley and Junior both reached the semi-finals, whilst Finlay went on to finish runner-up in the final.

Parents' Evenings will take place on Thursday 7th and Tuesday 12th March, appointment times are between 3.40pm and 6.30pm, and these can be booked by ringing the school office from Monday. We aim to engage with the parent/carer of every child in the school through these meetings, so please remember to book your appointments as soon as possible.

Communication and Interaction Drop-ins - North Yorkshire Council's speech, language and communication team are holding free advice sessions for parents and carers with concerns surrounding their child's communication. One of their speech and language therapists will be at the sessions. If you would like to attend, parents and carers are asked to book a slot to avoid waiting in long queues.
