Dear Parents and Carers

22 March 2024

It has been great to get to know so many of you over the past couple of terms. I strongly believe that the relationship between parents and the school is incredibly important to ensure that we provide the very best for the young people you entrust to us every day. We are constantly striving to improve and develop our school, as well as looking for ways to celebrate and appreciate the successes of our whole school community which make Seamer and Irtton CP School such a special community to be part of. Your feedback is always appreciated and carefully considered. With this in mind, I would like to ask you to kindly complete a short survey which you can access via the link below...

[Perspective Surveys - Survey \(angelsolutions.co.uk\)](https://angelsolutions.co.uk)

I also welcome you to make an appointment or catch me at the school gate if there are any specific matters which you wish to discuss in more detail.

**Easter Bingo** - There was a lovely atmosphere in the School hall on Wednesday evening for the annual Easter Bingo. Thank you for the kind donations of Easter Eggs; thank you to those who supported the event; and I would also like to extend a huge thank you to our STARS for organising this event which raised **£155.00**. All money raised by STARS is used to support the pupils in school by subsidising school trips and towards purchasing resources to enhance the school and your child's experience. STARS are always looking for more members to come and share their ideas or help out at events. If you would like to be involved, please get in touch via email: [STARS@seamerirton.n-yorks.sch.uk](mailto:STARS@seamerirton.n-yorks.sch.uk)

**Cricket** - This half-term has seen our Y6 indoor cricket team compete against a number of local schools in the Scarborough Indoor Cricket League. These boys have represented the school brilliantly, week in, week out. Thank you to all the staff who have accompanied the team and to the parents for their fantastic support and commitment each week.

**Girls' Football** - Mr Hindle travelled to Chesterfield yesterday with the Girls' football team who represented Scarborough Athletic FC in the latest round of the NLT U11's cup. The girls reached the final where they put up an excellent fight, but unfortunately just lost out in a nail-biting penalty shootout.

**COMIC RELIEF** – I can now confirm that last week's 'casual red day' raised a grand total of **£375.75** which has now been split between Comic Relief and Breast Cancer Now. Thank you for your kind donations.

**STARS EASTER BINGO** Thank you to the Stars team, everyone who came and supported the event and parents who kindly donated prices.
