Dear Parents and Carers

8 September 2023

I would like to take this opportunity to welcome back our Key Stage One and Key Stage Two pupils and their families. I would also like to extend an especially warm welcome to our new starters and their families. Our new starters in EYFS certainly appear to have settled in well and we are excited for them to join us full-time from Monday.

I am incredibly proud to have been appointed headteacher at Seamer and Irton CP School. Having worked at the school for many years, I know what a special place the school is and how valued the school is, not just in Seamer, but across the wider Scarborough area. As the school evolves, our commitment to providing your child with the very best education remains the same, as does our commitment to providing all of pupils with experiences and opportunities beyond the National Curriculum to develop their knowledge and skills in different ways.

Our mission statement remains the same:

Seamer & Irton CP School will provide all pupils with every opportunity to achieve their full potential.

We ensure a supportive, friendly, safe environment in which everyone is valued and respected.

In return we expect the highest standards of work and behaviour.

You can find out more about the school and what your child will be learning by visiting our school website.

Each class also has a class page on the website where you can find key information, a link to the class Twitter feed and the class teachers' email addresses.

The whole school twitter handle is: @seamerandirton

Club List Please visit the link below to view our latest club list.
