Dear Parents and Carers

9 February 2024

Tuesday was National Safer Internet Day. As part of this, each class discussed what it means to stay safe online and, 'inspiring change, making a difference, managing influence and navigating change online', which was this year's theme. Rachel Wilson from the Children's Society also delivered Tuesday's KS2 assembly focusing on online safety.

You can find more information about how you can help to keep your child safe online, complete courses and access a host of resources by following the link below, entering your details, and selecting Parent/Carer as your user type...

Scooter Club - I'm very excited to announce a new club aimed at Year 3 pupils. Scooter club will run each Monday lunchtime, starting Monday 19th February. The club will be run by three Year 6 enthusiasts and overseen by myself. Children who would like to attend should bring their own scooter and helmet. All scooters should be parked in the scooter park at the front of the school as usual. The club will focus on basic control and we may introduce some small ramps as children progress and gain confidence.

Community Garden Project - we are currently at the planning stage with our friends in Bell Close who are looking to set up a community garden. The committee running the project, the Ding Dong Bells, would like to run a sunflower competition later in the year and are currently asking for donations of plastic plant pots and seed trays. If you would like to donate, please send the plant pots into school with your child during the week after half-term.

Dinner menu w/c 19 February

Monday	Tuesday	Wednesday	Thursday	Friday
