17 November 2023

Dear Parents and Carers

The children (and staff!) looked wonderful in their spots and stripes today. Thank you for your generous donations. All money collected will be split between our chosen charity, Breast Cancer Now and the Children in Need appeal.

Thank you to the school council who delivered assemblies to the whole school this morning, raising awareness of the work that Children in Need do.

TOTAL RAISED SO FAR £345

FOREST SCHOOL is a crucial part of our personal development offer as well as our broad and balanced curriculum offer. An integral part of the Forest School experience is that children embrace the outdoors in all weathers. With the exception of very high winds, torrential rain and thunderstorms, please assume that your child will be outside when they take part in Forest School activities, even if it is for a shortened session. As we are now in the cooler wetter months, when it is your child's turn to take part in forest school activities please ensure that your child brings wellington or walking boots and they bring a warm coat. You can find out more about forest school and when your child is taking part in forest school sessions using the link below and opening the KS1 and KS2 long term curriculum overviews:

<https://www.seamerirtonprimary.co.uk/w3/fscurr.php>

The **STARS** are holding a Christmas Raffle this year. Any donation of prizes would be appreciated, these can be left at the school office. Thank you.

The Christmas mugs have arrived, if your child has ordered one, please collect it from the school office.

THE SCHOOL STREETS PILOT SCHEME I have received a number of queries about the School Streets Pilot Scheme which is now up and running. This scheme will run until further notice from North Yorkshire Highways Department. Although there are no physical barriers as in the first week, it is still an offence for motorised vehicles to be in Bell Close during term time between 8.15 and 9.00am; and 3.00-3.45pm except for permit holders and drivers with a blue badge. Thank you for your support in making Bell Close safer for our whole school community and helping to safeguard our children.

The Children's Commissioner for England, Dame Rachel de Souza, has launched **The Big Ambition**, a national survey of children and young people across England. **The Big Ambition** aims to hear from children across England on what they think is important! In the lead up to the next General Election, the Children's Commissioner wants to take children's thoughts, opinions and ideas to decision-makers, to make sure that the Government hears young people's voices on what they think needs to be done to make children's lives better in England.
