Dear Parents and Carers

20 October 2023

Yesterday saw the final cricket coaching sessions which have been delivered to all of Key Stage 2 over the past half-term by 'Chance to Shine,' which is a national charity that aims to give all children the opportunity to play, learn and develop through cricket.

Girls' football

– Last Saturday saw the girls' football team storm to victory and retain the SDSSA annual 7-a-side girls' football trophy. This was a tremendous achievement winning by large margins and keeping a clean sheet throughout. This success also means the girls have once again qualified to represent Scarborough Athletic FC in the National League Trust U11's competition at York later in the year.

Whilst both the boys and girls have enjoyed recent footballing success, both teams are currently sharing a mismatch of kits. If anyone would like to sponsor either a new boys' or girls' kit, this would be much appreciated and I would be happy to meet to discuss.

SAFEGUARDING our pupils and other members of the school community is the most important aspect of the job we do as a school. You can find out more about safeguarding at our school and what to do if you have any concerns about a child by visiting the safeguarding section of our website. You can also read our recently-updated child protection policy by clicking on the link below:

Road Safety Week - Next week is road safety week in preparation for the upcoming School Street Pilot Scheme. Pupils will receive an assembly delivered by a representative from North Yorkshire Highways Department on Wednesday; Year 6 will continue to undertake bike-ability throughout the week; teaching staff will deliver lessons about the importance of road safety and how to stay safe on and around the roads; and as part of this important campaign, **we would like children to come to school in casual clothes on Thursday, dressed as brightly as possible to raise the profile of 'Be Bright, Be Seen'.**

A representative from North Yorkshire Highways Department, Councillor Phillips and members of the school's travel committee will also be available outside the school from 2.45pm on Wednesday 25th October to discuss the scheme and answer any questions you may have. The scheme will come into force from Monday 6th November.

International Dwarfism Awareness Day - On Wednesday 25th October, people with dwarfism and organisations around the world that support Little People and their families raise their hands to celebrate International Dwarfism Awareness Day. As a school we constantly strive to promote equality and inclusivity and will be educating pupils about dwarfism to help raise awareness. You can find out more by visiting <https://littlepeopleuk.org/>
