Dear Parent/Carer,

23 September 2022

PARENTS' EVENINGS A close working relationship between the school and the parents is essential for a successful education. These meetings are an excellent opportunity to find out how your child has settled back into school and ask any questions you may have about how best you can support your child's learning.

These will be face to face meetings in the school on Tuesday 4 October and Thursday 13 October between 3.50pm and 6.30pm.

Appointments can be booked through the school office from Monday 26 September.

BIKEABILITY Y6 pupils have been having cycle training sessions this week. The instructors have been very impressed, not only with the children's cycling ability, but also with their politeness and excellent attitudes. Well done, Y6! I hope this gives you the skills and confidence to cycle to school – wearing a helmet, of course – each day

CROSS COUNTRY RUNNING The race planned for next Thursday has been postponed. The next race is on Thursday 13 October at Scarborough Rugby Club.

STARS is a dedicated team of parents and carers that have been set up to raise funds for the school. They organise fund raising and social events, not just to raise money but also to help bring the community together. This term they have already arranged for the children to design their own Christmas cards and planned a school disco. They are also hoping to run a Christmas raffle.

FLU NASAL VACCINATION TEAM You will have received an email this week about how to consent for your child to have their nasal flu vaccination in school. The team are in school to deliver the vaccination on Tuesday 22 November. You must consent online for your child, you can't do this via school.

SCHOOL DINNERS W/C 26 September
