Dear Parent/Carer,

6 January 2023

HAPPY NEW YEAR

Welcome back.

It is lovely to see all the children back at school and looking forward to an exciting new term.

MOBILE PHONE AND SMART TECHNOLOGY POLICY

We realise that mobile phones have become an important part of everyday life for many children and that they can be a method of keeping them safe and secure. However, we also recognise that they can prove to be a distraction in school and can be a means of bullying or intimidating others. Therefore:

- Mobile phones and smart devices are not encouraged to be brought into school.
- If a pupil does bring in a mobile phone for issues of personal safety, it must be switched off and handed into the class teacher immediately.
- The class teacher will allow children to collect their mobile phone at the end of the day – the phone should remain switched off until the child is off the school premises.
- Mobile phones are not allowed on trips or residential visits.
- Fitness trackers such as Fitbits or similar step devices will be permitted but must not distract through the school day.
- Electronic watches such as Apple Watches or devices that can be used as phones/cameras will not be permitted.

This is an extract from the Mobile Phone and Smart Technology Policy. The full policy can be found on the school website.
