Dear Parent/Carer,

10 February 2023

A group of school governors began work on a school communication plan this week. We agreed that the aim of the work was to ensure that parents receive all the information they need to support their children's education through clear, professional, timely and appropriate communication using a range of accessible methods.

To this end we would like to promote our Scholarpack Parent App. Many of you may have already downloaded it some time ago. For those who haven't you will have received an email earlier this week with a link up code. Starting this week we will be sending messages and reminders via the app as well as email and Twitter. Using the app will give you time to check all contact, medical and attendance details for your child. If you notice that any information needs updating, you can message us via the app. The app is free of charge on Apple and Google stores. Please contact the school office for further information or if you have not received your link up code.

DESTINATION EVENTS This week our Y2 classes invited their parents into school to share their work, some food they had made and some songs. It was lovely.

Our Y6 classes put on an exhibition of the rainforest work which was most impressive.

CLUBS Our new Friday afternoon Y3 and 4 Drama Club has been enormously popular. This will continue after half term. We are now able to add a Y2 Drama Club option which will start on Monday 27 February, 3.30 - 4.30pm in the school hall. There is a list in the school office if you would like your child to sign up for this new club which will run every Monday until Easter.

SHROVE TUESDAY This year Shrove Tuesday is on Tuesday 21 February. We will be organising skipping events in school on this day, and children can bring their own skipping ropes into school if they wish. We ask that you do not take your child out of school on this day.

EYFS wrote to me this week to ask for a football match. Here they are just after the final whistle!

SPORTS NEWS Our table Tennis team have reached the dizzy heights of national finalists. The coach, Ashley Hodgson, has done an amazing job and the players have been magnificent. They will be competing in Wolverhampton in April with 7 other regional finalists.

PARENTS' EVENINGS Spring term parents' consultation evenings are scheduled for Thursday 9 March and Tuesday 14 March. Appointment times will be available between 3.40pm and 6.30pm, and these can be booked by ringing the school office after half term. We aim to engage with the parent/carer of every child in the school through these meetings, so please remember to book your appointments.

AND FINALLY Seamer & Irton CP School will have a new head teacher in September 2023. Having enjoyed the privilege of working at the school since January 1998, I have decided that it is time for a change. It has been an honour to serve this community and I am proud of the legacy I leave. I want to thank you all for your support and kindness over many years.
