Dear Parent/Carer,

17 February 2022

The school is closed tomorrow Friday 18 February for staff training and will re-open again on Monday 28 February after the half term break.

Y6 RAINFOREST EXHIBITION

Thank you to our Y6 pupils who put on a superb display of their rainforest work in the hall this week.

READING STAMINA We are currently focusing on developing pupils' reading stamina across school. This is the ability to read for an extended period without requiring adult supervision to maintain attention. Reading stamina includes the ability to re-engage with a text following an interruption or distraction and being able to get 'lost' in a book. In the fast-paced world we live, it is more important than ever that pupils learn how to slow down and focus on enjoying a book without distractions.

Please continue to support our work by providing regular opportunities for your child to read over the half term break, and by sharing books and stories with them.

WORLD BOOK DAY

We love to celebrate the joy of reading all year and even more so on World Book Day.

This year, World Book Day is on Thursday 3rd March. Please note that we will **not** be dressing up this year, so no need to buy costumes for school.

However, we will be running book themed competitions and activities in classrooms and our library to encourage plenty of book talk and reading.

Why not get involved in our 'Reading Rocks' competition? We would love pupils to decorate a rock, using paints or pens, with a picture of a book character, book cover or quote. Please bring this into school by Thursday 3rd March. There will be a small prize for the winning entry in each class.
