Dear Parent/Carer,

17 March 2023

**COMIC RELIEF** Thank you for your donations to Comic Relief today. All money collected will be sent to Comic Relief and the Emergency Care Appeal at Scarborough hospital.

**Total Raised  
£336  
Thank you**

**PARENTS' EVENING** We aim to contact the parents/carers of every child as part of our parents' evening offer. If you were unable to make an appointment, please try to find a convenient time to speak to your child's teacher before the Easter break.

**COMMUNICATION POLICY** Effective communications enable us to share our school aims and values as well as keeping parents well informed about school life. This reinforces the vital role that parents play in supporting the school and their children.

A working party of school governors have developed a policy to ensure that our communication systems are timely and effective. The policy is available on our website and will also be emailed to you.

It is vitally important that we have your up-to-date contact details, which includes mobile number and email. Please inform the school office of any changes.

**SCHOLARPACK PARENT APP** We are pleased with the response from parents setting up the parent app. Doing so gives you the chance to check that all contact details are up to date and for you to receive reminders and notifications. Please contact the school office if you would like your parent app link up code emailing again.

The parent app also gives parents the opportunity to track their child's school attendance. A good school attendance is 96% and above, between 90% - 95% is an attendance concern and below 90% is deemed persistent absentee.

Medical appointments have increased especially last minute on a Friday afternoon. Please can you arrange these appointments in advance to avoid school hours. If this is unavoidable, please notify the office earlier in the week so this can be logged on the school register in advance and not last minute. **All appointments and reasons for your child to leave school early are logged on their school record.**

**CLASS PHOTOGRAPHS** Tempest Photography will be in school next Tuesday to take class photos. We ask that all **Y6** pupils arrive at school at an earlier time of 8.30am as some of the children will be leaving school straight after for important sporting event. Sorry for any inconvenience.
