SCHOOL GAMES GOLD AWARD We are delighted to announce that we have achieved the School Games Mark Gold Award for the 2021/22 academic year.

We are extremely proud of our pupils for their dedication to all aspects of physical activity and school sport, including our young leaders. We are committed to using the School Games to try and engage those young people who haven't previously been active or represented our school and to try and ensure that all our students have a positive experience and want to try out new activities beyond school too in our community.
