Dear Parent/Carer,

24 February 2023

We had great fun skipping this week.

It is wonderful exercise and has really helped in our aim to promote the Chief Medical Officer's guidelines that recommend all children aged 5 – 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.

WORLD BOOK DAY We love to celebrate books and reading for pleasure every day, but especially on World Book Day. The theme this year is 'I am a reader' and this is exactly how we want all our pupils to feel. There are some special activities planned in school for World Book Day on Thursday 2nd March. We will not be dressing up but invite pupils instead to bring in a favourite book to share in class during the day.

Miss Boddy, our resident poet, will be delivering poetry workshops to Years Three, Four, Five and Six, leading to a performance for each other. Pupils in Reception, Year One and Year Two will be visiting the 'reading café' in the library with Mrs Jay-Hanmer to share poems.

We are inviting pupils to bring a book that they no longer want, to add to our 'Book Swap Stop'. Any pupils contributing a book will be able to choose a different book to take home and keep.

PARENTS' EVENINGS Spring term parents' consultation evenings are scheduled for Thursday 9 March and Tuesday 14 March. Appointment times will be available between 3.40pm and 6.30pm, and these can be booked by ringing the school office after half term. We aim to engage with the parent/carers of every child in the school through these meetings, so please remember to book your appointments.

SCHOLARPACK PARENT APP We are pleased with the response from parents setting up the parent app. Doing so gives you the chance to check that all contact details are up to date and for you to receive reminders and notifications. It also gives parents the opportunity to track their child's school attendance.

A good school attendance is 96% and above, between 90% - 95% is an attendance concern and below 90% is deemed persistent absentee.

Please contact the school office if you would like your parent app link up code emailing again.

SCARBOROUGH HOSPITAL MONEY BOX APPEAL My thanks to Maya Liversidge (Scarborough Hospital Community Fundraiser) who talked to the children in assembly about the Money Box Appeal that she is leading. She described the improvements that they are making to help children and families when hospital treatment is needed. Your child should have come home this week with a little money box and a letter from Maya explaining the appeal. If you would like to help, just pop your spare change into the box and return it to school before we close for Easter. Many thanks
