Dear Parent/Carer,

28 January 2022

**PARENTS' EVENINGS** Our spring term parents' evening appointments will be via a ten-minute telephone call again this term. Appointment times are still available between 3.50pm and 6.30pm on **Thursday 3 February**. Appointments can be booked with the school office.

**ART PROJECT** Seamer & Irton School was first opened on its current site in 1970 and in 2020 we had planned to celebrate its 50th anniversary by engaging an artist, Gabriella Naptali, to work with every child on a project using clay that would become a legacy for the next 50 years. Unfortunately, for reasons you will understand, this was not possible. We have now managed to restart the project and the first groups of children have already worked with Gaby this week.

Of course, this building was not the first school in Seamer, as this extract from J.T Child's book, A Brief History of Seamer & Irton, shows,

*The school was opened on the 9<sup>th</sup> June 1879 by Foord Potter. One month later there were 145 children on roll. He appears to have taught all these children by himself apart from some help for needlework.*
