Dear Parent/Carer,

30 September 2022

ONLINE SAFETY Today's pupils are growing up in an increasingly complex world, living their lives seamlessly on and offline. This presents many positive and exciting opportunities but also challenges and risks.

At Seamer and Irtton school we want to equip pupils with the knowledge needed to make the best use of the internet and technology in a safe, considered and respectful way, so they can reap the benefits of the online world.

We also want to help you, the parents, to have the information you need to keep your children safe. We are, therefore, working with National Online Safety to provide resources for all parents and carers. The resources include Parents & Carers courses, online video resources and weekly guides covering a huge range of topics.

Watch out for the separate email you will receive that explains how you can access this important information.
