Dear Parent/Carer,

5 May 2023

Following ratification by the full governing board yesterday, I am delighted to announce that Mr. Webb has been appointed as head teacher for September 2023. Mr. Webb is currently deputy head and Y6 teacher at the school. I would like to offer him my warmest congratulations.

KING'S CORONATION We have had a lovely day celebrating the King's coronation today. Pupils and staff have looked resplendent dressed in red, white and blue. All of our pupils created an array of wonderful decorations to dress the hall and the kitchen staff provided a special coronation menu. Thanks must also go to STARS for providing every child in the school with a commemorative lapel badge as a keepsake and reminder of the day.

KS2 SATs Next week our Y6 pupils will be sitting their SATs (statutory assessment tests). These tests are important to us as they help measure your child's progress and are also used to assess our schools' performance and to produce national performance data. We are confident that our Y6 pupils have been well prepared for these tests whilst offering a broad and balanced curriculum – all we ask is that our pupils try their best and we wish them the very best of luck.

SLEEP Studies have shown that children who regularly get an adequate amount of sleep have improved attention, behaviour, learning, memory, and overall mental and physical health. We can certainly see the difference in school when a child has not had enough sleep, and you may be surprised to learn that a 5-year-old needs about 11 hours a night, for example, while a 9-year-old needs roughly 10 hours. With lighter nights and access to electronic gadgets ever present, we know this can be challenging for parents.

The NHS provide excellent advice to help.

East Barnby Next week our Y5 pupils will be heading off on their residential trip to East Barnby. They will certainly have an action packed three days and I know they are very much looking forward to it. This is an important milestone for these pupils and I can't wait to see the photos and hear the stories they come back with. Thank you to the staff who are giving up their time to make this trip possible.
