# Remembering the real reason we celebrate Easter...

## Arriving in Jerusalem

When Jesus arrived in Jerusalem the crowd of people were greeting him by laying down their scarves and palm leaves. As Jesus entered the town, he was riding on a humble donkey (not a camel nor a horse) to show that he wanted to serve, not lead the country of Israel.

Were people jealous of him?

Did people like him?

## Jesus' last breath

Jesus was made to carry a very heavy, wooden cross all the way up to the top of Golgotha to be crucified. The nails were hammered through his wrists so that he could sadly go to heaven. Then darkness broke across the whole land with a terrible storm. After he was dead the Romans took him to a tomb where he was to laid to rest and a huge stone was rolled across the entrance.

# Easter cracked

On Thursday 20<sup>th</sup> February F.I.S.S (Faith in Scarborough Schools) came to visit year five, Oak and Elder classes, in the hall. We watched two videos of Jesus being crucified and him rising from the dead. We then sat down and decorated plant pots before planting seeds. We had an option of two peas, two sunflowers or one of each.

We finished the workshop by completing a booklet and answering questions about the Easter story.

# Vashti Hardy

Ella, I have a quick question: how did you get to know about Vashti Hardy?

Well I got to know about Vashti Hardy because my friends told me about her book, Harley Hitch and the Iron Forest, then I started reading her other books and ever since then, she has inspired me to write my own stories. Vashti Hardy is my favourite author. I love her books. She has written Brightstorm, WildSpark and Harley Hitch. I like the illustrations in the books: they make me smile. Brightstorm and Harley Hitch are book series so there are plenty of sci-fi adventures to explore.

Thank you for reading author of the month.
