Y1 Home Learning – 6.11.20

Class work this week:

Phonics	English	Maths
ai/ay ee/ea igh/ie oa/oe We have been practising lots of key words this week during phonics and guided reading	• Using phonics to spell words • Writing sentences about half term using a capital letter, finger spaces and a full stop • Writing independently about Autumn and Bonfire Night • Handwriting – d, g, q	• Counting in fives • Counting in tens • Reading 2-digit numbers. • Solving a problem using a bar model.
Science	**Other areas**	
• This week we have recapped our learning on animals: Herbivores/carnivores/omnivores Animal groups (birds, reptiles, amphibians, insects, mammals, fish) Vertebrates and invertebrates	• Autumn pictures, firework pictures using wet chalk and we have started to learn about printing • Practising our typing skills whilst typing the alphabet • Learning about miracles and the bible story of Feeding the 5000 in R.E. • PE – listening and teamwork games • Music – listening and discussing the song 'Hey You' and learning about the pulse (beat) of a song/piece of music	

Optional Home Learning Task:

Can you find something at home with a repeating pattern? This could be on wallpaper, wrapping paper, an item of clothing, a cushion cover, a duvet cover, a plant pot, in a book or you might see one outside in nature or somewhere else.

Is there 1 shape/picture being repeated or more than 1? How do you think these shapes/pictures have been made? Can you see any primary or secondary colours? What types of lines and shapes can you see?

Online games:

Numbots is ready for your child to use at home to practise their recall of addition and subtraction facts. You should have received a letter before half term and usernames and passwords are stuck onto reading records.
