Dear Parents,

18 October 2019

I hope that those of you who had the chance to share the children's performances in the Harvest Assembly this week enjoyed it as much as I did. The children were enchanting and our new starters have had a brilliant first half term. Thank you for your help and support that is so important to us.

Thank you for the harvest gifts and donations that have been collected by the Rainbow Centre.

**HEAD LICE AND NITS** This is common and ongoing problem in schools. You can help to minimise this nuisance by checking your child's hair on a weekly basis.

#### **CHECK**

- Your child's hair once a week.
- Use a proper detection comb to trap head lice.
- If you find live lice, consult a pharmacist for treatment advice immediately.
- If head lice are spotted, take a close look at the hair of all the family.

#### **TREAT**

- Please treat your child with a clinically proven treatment.
- Leave the treatment on for the recommended time for maximum effect.
- Repeat the treatment for a second time seven days after the original treatment to kill any eggs that may hatch after the first treatment.
- Check that all head lice have gone within two to three days of the final application of head lice treatment to complete the process.
- Continue to check for head lice on a regular, weekly basis.

For further information on head lice please see your pharmacist or visit [www.nhs.uk/conditions/head-lice](http://www.nhs.uk/conditions/head-lice).

**ALLERGIES** We do have a number of children in school that can experience serious reactions to certain foods. These include nuts and sesame seeds. Please continue to be vigilant and careful over the snacks and packed lunch items that you are sending in with your children so as to minimise the risks. Thank you for your support.

**CLUBS NEWS** Chatter books – No Chatterbooks on Monday 4 November. It will re-start on Monday 11 November.
