Dear Parents,

19 October 2018

I hope that those of you who had the chance to share the children's performances in the Harvest Assembly this week enjoyed it as much as I did. The children were enchanting and our new starters have had a brilliant first half term. Thank you for your help and support that is so important to us.

If you took any photos of the assembly, can I remind you of the following paragraph in our Acceptable Use Policy.

"At Seamer & Irton CP School we are happy for parents and carers to take photos and video of events for personal use. We would like to remind parents that Photographs can be considered personal data under the General Data Protection Regulations. Parents should only film/photograph their own children. However, in reality, we acknowledge that other children are likely to appear in the background. We request that these images are not distributed or put online e.g. Facebook, Youtube or other social media/image sharing platforms. This is to protect all members of the community.

Thank you for the harvest gifts and donations that have been collected by the Rainbow Centre.

ONLINE SAFETY All our pupils are taught about keeping safe on the internet. We use the SMART advice to help us do this and I have included this for your information with today's newsletter.

BRITISH LEGION POPPY APPEAL During the week beginning 5 November, our school council members will be selling items for the British Legion Appeal. The items (poppies, wristbands etc.) are priced at 50p or £1 and we have set a £1.50 spending limit for each child.

ROAD SAFETY I am pleased to announce that our new Junior Road Safety Officers are Josh and Brooke from Y5. Their first job is to produce a newsletter and review the current Travel Plan.

FOOTBALL The girls looked wonderful in their new Kit yesterday. This has been provided through Premier League Primary Stars kit scheme and we are most grateful.

GOOD LUCK to the boys who will be playing for the Brian Robinson Trophy tomorrow at Bramcote.

CROSS COUNTRY The next races are at Scarborough 6Form College and include an opportunity for Y2 pupils to take part.
