Dear Parents,

7 May 2021

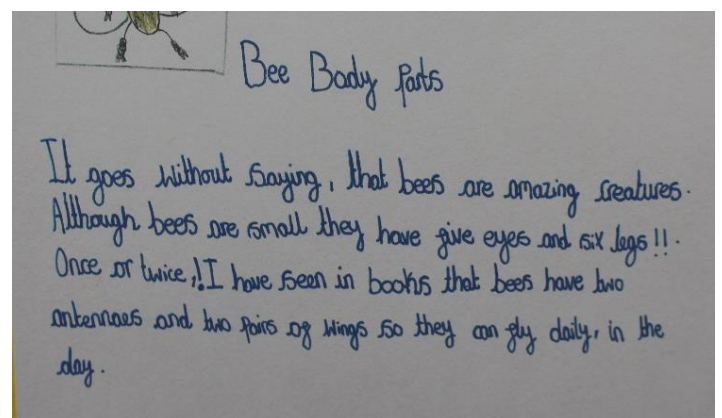

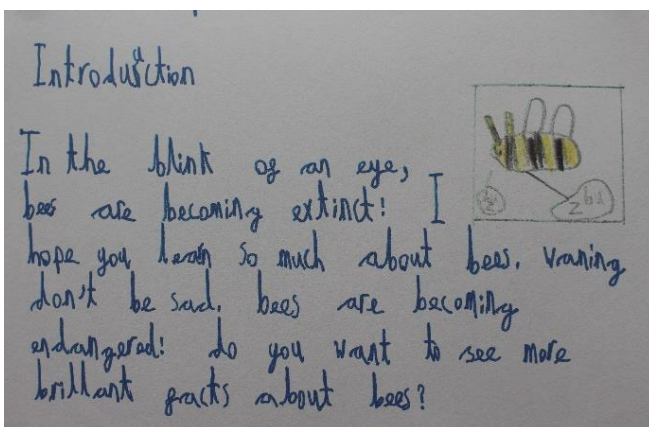

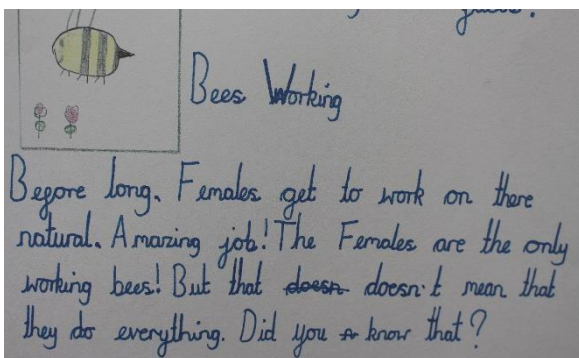

Next week is Mental Health Awareness Week. The theme is 'Nature' and I'm sure we are all aware of the positive impact a connection with the natural world can have on our mental health.

This is the link to the national campaign website where you can find tips and ideas for families and children.

<https://www.mentalhealth.org.uk/campaigns/mental-health-awareness-week>

Save the Bees!

Our Y3 pupils have been learning all about bees.

DIVERSITY WEEK It is vitally important that our pupils are aware of the richly diverse cultures that make up our country. During the week beginning 24 May, all classes will be experiencing lessons that celebrate this diversity, including a visit from our Togolese friend, Hilaire Agnama.

ROAD SAFETY We acknowledge that sometimes people will have to drive to school. If you are coming to or from school by car, PLEASE.....:

Consider 'Park and Stride', it's quicker than you think!

Park your car somewhere that isn't causing a road safety hazard to pedestrians or cyclists.

DO NOT reverse around the school driveway.

Use the voluntary one-way system round Denison Avenue. Thank you.

PARENT APP Newsletter's and other general correspondence shall be emailed each week and urgent messages sent via text. Some of you have already downloaded the parent app to access messages, your child's attendance, medical records etc. We will be sending out an email to all 'second contacts' with instructions about the app and a link up code. The app is free of charge on Apple and Google stores.
