Dear Parent/Carer,

8 October 2021

**INDIVIDUAL PHOTOGRAPHS** Tempest Photography will be in school on Wednesday 13 October to take individual school photographs of all pupils. Look out for your child bringing home an order form.

**TRAVEL PLAN** Complaints about traffic around the school and reports of near misses seem to be a regular occurrence at the moment. Our school governors have formed a Travel Plan Committee and have begun work on looking at ways to monitor and improve this situation for the safety of our whole school community. Please see the separate letter from the Travel Plan Committee for further details and this week's alarming findings.

**LIBRARY NEWS** Our school library is now open again for all children. We emailed the library newsletter to everyone yesterday, you can also find a copy on our school website.

### Squeeze in a read this October

This October is Libraries Month and the theme for North Yorkshire is 'Squeeze in a read'. Children and adults are invited to join in by finding 10 minutes to read each day throughout the month.

You can read any book that you like and we'd love children to share book reviews of their favourite books as well as photographs or drawings showing an unusual place to read.

Libraries will be running a Buzzy Bee 'Squeeze in a read' competition all month as well as having attractive displays of new books.

There is also a fantastic programme of events and activities taking place in libraries this October - just ask at your local branch for details.

Joining the library is quick, easy and free. Your library card can help you to access free books, computers and online resources such as free comics, ebooks, audiobooks and more.

**WELL PLAYED** The football team were excellent last Saturday losing out narrowly, by an extra time golden goal, to Northstead in the final of the Brian Robinson Trophy. This Saturday it is the girls' turn; let's hope they can go one step further!

**CROSS COUNTRY** Unfortunately, the next race scheduled for 19 October has been cancelled.
