Dear Parent/Carer,

9 July 2021

The children all met their new teachers for next year today. They have spent the day in their new classrooms to get them ready for September.

As you know, the country will start to relax Covid restrictions from 19 July. However, as far as the school is concerned, there will be no changes to any of the current measures we are taking before September 2021.

Next week, I will set out our intentions for September regarding start and end of day arrangements, face coverings and other control measures.

EYFS had very special visitors this week. Thank you to Anna, Adam and Tom for helping us learn about all the helpful things that police officers do (as well as catching baddies of course!).

Y2 VISIT TO THE MAYFIELD The children had a wonderful morning trying different fruits and seeing all the different ways they could be presented. We were very thankful to Lucy the waitress and chef Oliver.

CLASSMATE OF THE YEAR Every year the children in each class vote for who they think should be given the award of Classmate of the Year. This person should be kind, thoughtful and helpful. Here are the results. Well done to all the winners and all the other children who show these wonderful attributes.
