Dear Parents,

16 April 2021

Welcome back to the summer term.

We are all looking forward to an uninterrupted term of learning experiences and challenges. The school's latest coronavirus risk assessment and recovery plan are now published on the school website for your information. You can visit the class pages also to find out what your child will be covering in the curriculum this term.

**SCHOLARPACK PARENT APP** We have recently upgraded our schools MIS (Management Information System) to a new provider called Scholarpack. One of Scholarpack's many features is their email, SMS and Parent App. Newsletter's and other general correspondence shall be emailed and urgent messages sent via text. You may wish to download the parent app to also access messages, your child's attendance, medical records etc. We sent out an email before the Easter holidays to your email address with instructions about the app and a link up code. This was sent to your child's 'first parental' contact on their school record. The app is free of charge on Apple and Google stores.
