Dear Parent/Carer,

18 June 2021

The Y5 pupils have had a wonderful week of outdoor, adventurous activities and I must tell you how proud we have been of them. We were all obviously disappointed we could not take them to East Barnby due to the coronavirus restrictions but during the trips this week the children have developed all the important skills that they would have used on the residential visit. They took part in all the activities with great enthusiasm, an adventurous spirit and used great teamwork.

All the children also used wonderful manners when speaking to the Cayton Bay staff, Dalby Forest staff and received many compliments from members of the public.

Well done, Year 5, you have been great ambassadors for our school!

CORONAVIRUS RISK ASSESSMENT

Considering the Government announcement to extend the restrictions for another month, the school risk assessment and daily systems and procedures will remain unchanged for the rest of this term. This means that we will be unable to invite parents onto the site for sports days and our usual Open Evening. We are sorry about this and will try to find other ways to keep you connected to your child's activities in school.
