Dear Parents,

14 May 2021

It has been a wonderful week in school with so many exciting and enriching activities taking place. Here are just a few.

Remember, the best way to stay connected with what your child is doing in school is to follow the class on Twitter. Ask the school office or the class teachers for details.

EYFS balance bikes

Y4 Cycling

Y2 Paul Klee Colour Day

Y5 Girls' Football

DIVERSITY WEEK It is vitally important that our pupils are aware of the richly diverse cultures that make up our country. During the week beginning 24 May, all classes will be experiencing lessons that celebrate this diversity, including a visit from our Togolese friend, Hilaire Agnama.

MOBILE PHONES

We know that some children need to bring their phones to school with them. If this is the case, they must be handed to the teacher at the beginning of the day for safe keeping. This includes smart watches.

SCHOOL TIMES We ask that you do not bring your child to school too early – the gates will not open until 8.40am and it is important to avoid a build-up of children waiting on the school driveway.
