Dear Parent/Carer,

15 October 2021

**HARVEST FESTIVAL** We will be celebrating harvest in our assemblies next week. More than ever, charities are relying on the generosity and support of the community to help those who need it most. As in previous years, we would like to support the Rainbow Centre. If you would like to make a donation, tins and dried foods are best, you can bring them to school anytime next week and we will store them ready for collection by the Rainbow Centre on Friday. Thank you.

**SCHOOL PHOTOGRAPHS** You should have received an individual proof and sibling proof photograph this week. To order, please visit [www.tempest-orders.co.uk](http://www.tempest-orders.co.uk) and enter your reference number which is under the your child's picture. Orders should be placed by Wednesday 27 October. Photographs will be delivered to school for distribution. You can order after 27 October however additional postage charges will be added to your order.

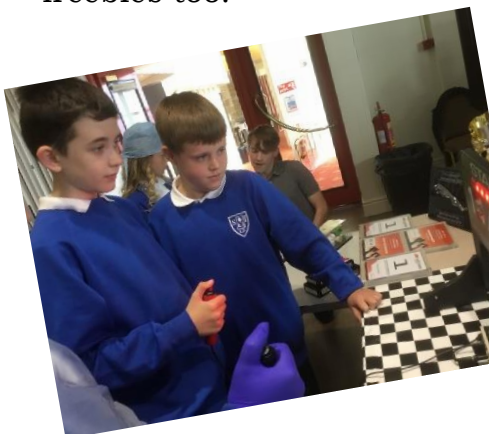

**WELL PLAYED** The girls' football team were excellent last Saturday losing out narrowly to East Ayton in the final.

We have also had girls' tag rugby this week. Great fun and a credit to themselves and the school.

**SCARBOROUGH ENGINEERING WEEK**

Our Y6 pupils enjoyed their visit to The Spa this week, and we hope they will have been inspired to be the young engineers and inventors of the future. They got their fair share of freebies too!

**FREE VIOLIN LESSONS** for beginners on Saturday Mornings at Scarborough Music Centre. Thanks to generous local funding, Scarborough Music Centre is pleased to be able to offer free Violin lessons for beginners on Saturday mornings during term time! We can also loan you an instrument free of charge to use while you learn and lessons will take place at our base at the 6th Form College, Scarborough.

The lessons will be 30 minutes long, in a group of around 8 people, and will start as soon after the October half term holiday as possible. Lessons will be delivered by an experienced and accomplished Violin teacher, and will be aimed at making the learning fun. We are offering this to anyone currently in years 3,4,5,or 6 at school.

If you would like to apply for these FREE lessons, please email me the following information: Child`s name, School attended, school year group, parent contact email and parent contact phone number. [Ralph.Alder@northyorks.gov.uk](mailto:Ralph.Alder@northyorks.gov.uk)

We have limited spaces so acceptance will be done purely on a first come first served basis.
