Dear Parent/Carer,

22 January 2021

The current school opening arrangements will continue until half term (Friday 12 February 2021) at least. We have received no further information but rest assured, I will share any news with you as soon as I have it.

Thank you for your diligence in informing us in advance when you require a school place for your child, it really does help us to organise staffing efficiently.

**HOME LEARNING** I have been asked about Teams or Zoom contact with the teachers. This presents many technical difficulties but is something we are exploring as an effective way of keeping your child 'connected' to the teacher and the weekly learning tasks.

**LAPTOPS** The DfE has provided us with a small number of laptops that can be borrowed to help with home learning. Contact me at school if you feel that this is something you would like to discuss.
